

## Flame Resistant Advanced ¼ Zip Combat Shirt (FR)

Building off the success of earlier generation combat shirts, Massif's Advanced ¼ Zip Combat Shirt (FR) provides additional features to optimize for different scenarios. Features such as a ¼ zip neck and internal elbow pad pockets provide user options dependent on the mission. Combined with a refined design and lightweight, durable and breathable FR fabrics, the Advanced ¼ Zip Combat Shirt is the new standard for FR combat shirts.

### FEATURES

- ⇌ HIGH COLLAR
